

Bugs in the Garden (2B)

What you need:

1.  A spinner

2.  A gameboard

3.  Some bugs

4.  A record sheet

What to do:

1.  NAME Robert DATE 10/19 Write your name on the record sheet.

2.  Spin both arrows on the spinner

3. $\boxed{3} + \boxed{4} =$ Write your combination in the first 2 boxes of your record sheet.

4.  Lay out the number of bugs in the combination on each leaf and find a way to figure out the total (use a strategy).

5. $= \boxed{7}$ Write your total on the record sheet.

6. Use the sentence frames to talk about how you found your answer.

7.  Keep spinning and recording until you finish the sheet.
