

Who Has More Cents? (2H)

What you need:

-  1. A Spinner
-  2. A Record Sheet
-  3. A Pencil and a Brown Crayon

Directions:

-  1. Find a partner.
-  2. Choose a Nickels & Pennies spinner or the more challenging Dimes, Nickels & Pennies spinner.
-  3. Choose the right record sheet.
-  4. Spin.
5. Count the number of cents.
-  6. Color in coins on your record sheet.
-  7. Draw a vertical line to mark where you left off.
8. Take turns doing this.
9. Spin the exact number to get to 40 or 100. (If you spin a number that is too much, you lose your turn)
