

## 50 or Bust! (2J)

What you need:

1.  A gameboard & record sheet.

2.  A set of cards.

3.  Unifix cubes.

4.  Different colored crayons.

Directions:

1.  Find a partner.

2.   Use unifix cubes or coloring in the record sheet to keep score.

3. Set the cards faceup or facedown (you choose).

4.  Take turns picking 1 card and recording the amount on your record sheet.

5. You can do this by setting unifix cubes on top or coloring in the amount.

6. Take a second card and record your score by coloring or building with cubes. Be sure to use a new color.

7. Who has more now? How many do you need to get to 50?

8. Should you take another card or will you go beyond 50? You can stop taking cards whenever you choose.

9. The winner is the person who gets closest to 50 without going over.
